The following report has been prepared in compliance with Section 19.3 of Act 160, Session Laws of Hawaii 2006, and calls for the Department of Land and Natural Resources to submit to the Legislature no later than twenty days after the end of each month, monthly reports by its Division of Conservation and Resources Enforcement (Division) on all enforcement activities by branch, including forestry, state parks, cruise ship, and ocean-based enforcement activities that shall include, but not be limited to:

(1) Enforcement categories (for example, recreational boating, boating facilities, cruise ships);

(2) Position number of enforcement officer involved;

(3) Type of enforcement activities conducted;

(4) Date that enforcement activities were conducted;
