RELATING TO MONTHLY ENFORCEMENT ACTIVITIES OF
THE DIVISION OF CONSERVATION AND RESOURCES ENFORCEMENT
FOR AUGUST 2006

The following report has been prepared in compliance with Section 19.3 of Act 160, Session Laws of Hawaii 2006, and calls for the Department of Land and Natural Resources to submit to the Legislature no later than twenty days after the end of each month, monthly reports by its Division of Conservation and Resources Enforcement (Division) on all enforcement activities by branch, including forestry, state parks, cruise ship, and ocean-based enforcement activities that shall include, but not be limited to:

(1) Enforcement categories (for example, recreational boating, boating facilities, cruise ships);

(2) Position number of enforcement officer involved;

(3) Type of enforcement activities conducted;

(4) Date that enforcement activities were conducted;

(5) Location of activities;

(6) Number of hours spent for each enforcement activity; and

(7) A brief description of outcome or status of enforcement activities;

The report consists of the Daily Narrative Reports that are prepared by each Conservation and Resources Enforcement Officer and contains a brief synopsis of the enforcement activities performed by each individual Officer. A listing of the Division's BRANCH LEVEL - ACTIVITY CODES are attached. These activity codes are used for each activity engaged in. Enforcement activities that include time spent on waterborne patrols for example are designate with the Letter "B" after the appropriate activity code. Additionally, enforcement activities that include time spent with their assigned canine are designate with the Letter "C" after the appropriate activity code.

This particular report addresses enforcement activities undertaken by the Division for August 2006.

			Instead of confrontation Officer allowed the large group				
			to stay until sunset.				
			MAIN PROBLEM:				
			State is foot dragging in turning over Land Management				
			land to Makena State Park.				
			Officer has expressed concerns for years that we are				
			asking people to leave an area that is not under State				
			park rules				
			Small beach is isolated: Problems:				
			1. Darkness: How to get the people down the rugged				
			trail without lights				
			2. Intoxicated individuals who cannot even walk out				
			a. Do we leave them there?				
			b. Being that we are not medics, if we left someone				
			there who is appears to be intoxicated but death				
			results- is the officer responsible?				
			3. Injury: Get people over the hill to medical unit on				
			Big Beach				
			Concerns expressed to Supervisors

			H'Piilani and N. Kihei Road				
			Officer cancelled the follow up patrol to Mala.				
			Being that officer was on the road, officer diverted to				
			Kihei boat ramp regarding vessel within the Reserve				
			And two overdue jet skiers.				
			SMALL BOAT HARBOR				
1515	1615	1	Kihei boat ramp	1700	28511	28545	34
			Spotted single jet ski approaching from Molokini. Reveals				
			One jet ski had engine problems and two females were				
			On 1 jet ski.				
			Inoperable jet ski left at Big Beach with their brother.				
			Investigation reveals no communication aboard craft.				
			Located father (frantic) and informed him that he should				
			Equipt his vessel with a cell phone or small VHF radio				
			Father sent his two daughters back out in rough water				
			Condition to tow disabled jet ski back which caused great				
			Concern.				
			Local jet skier, due to his concern for the girls safety				
			Launched his jet ski and did the towing of disabled jet				
			Ski back to Kihei boat ramp.				
			Again, with no communications with father's jet				
			Ski, officers lost sight of his jet ski with the two girls				
			For a time. Father (frantic) was seen speeding along				
			Towing trailer in the White Rock Area.				
			When officers determined what was the apparent plan				
			Local male towing jet ski back, Father's daughters				
			On remaining jet ski with brother were heading back to				
			Kiei boat ramp, now passing Grand Wailea, officer				
			Located Father at Poolenelena Beach.				
			Gave father instructions to return to the Kihei Boat ramp				
			And his children are fine. Recommended that he take a				
			Deep breath – not to get angry- but to learn from this.

			Officer returned to Mala to do a follow up on current				
			Status with the homeless, drinking and storage of property				
			On state lands.				
			1. Noted: John Dela Cruz still on state lands with his				
			Inoperable vehicle.				
			Said individual and 7 others were asked to leave state				
			Lands-Remove property/prohibited consumption of				
			Alcohol – Bluff used---- LM has no penalty				
			Campsite/vehicles moved this night				
			2. Campsite/gathering under kiawe trees				
			The easy solution is to cut the trees down- without shade				
			The problem will go away-				
			Side effects:				
			1. Public outcry those who use this area for their
